If we had
that kind
of space,
probably
nobody
would
have
any.

You'll just
have
to empty
one of
your storage
rooms!

Hey, Mom
if I were in the
upper classess,
can't I get a
bedroom of
my own?

That's not
what I'm
talking
about!

well, like
in your room,
so it's fine.

Seriously,
no one else
from my class
sleeps with
their storage!

Regardless,
it would be great
if you could enter
the upper class-
ess, Haru!

And when I do,
I'll ask you to
finally stop
treating me
like a kid...

And stop
meddling in
my business
once and
for all!

I'm sorry...

Yeah,
you're
right...

Here
are the
profits...

Here...

And quit it
with that
stupid
micromanage!

She and I
grew up
together.

Aika is
my mom's
little sister.

She was
always
taking care
of me...

Like a real
big sis.

Thanks.

You're
really good
at the piano,
Aika!

And she
also was
my first
piano
teacher.

That sure is a
fine, well
used, old year!

Common,
taking baths
with my
family?

Here,
you wanna
take a bath?

Guts if
you want to,
but don't
make it sound
like it's my
fault!

はっ

**I HATE YOU,
AIKA!!**

はっ

Stop
talking
to me!

Here

How about
you take on
that class,
this year?

And that's
where she failed.

..The F class?
It's the last class
Aika ever attempted..

I will enter
the contest!

..Yes.

What she
attempted
in 1st year of
high school,
I can take on
in 2nd year of
senior high.

That means
my talent is
being acknow-
ledged!

Once I've
surpassed
Aiko...

It'll
be proof
that I don't
need her
anymore!

In top position
of the F class,
we have...

Let's
move on to
the results
of the jury
for the
F class.

はっ

Aoi
Haine.

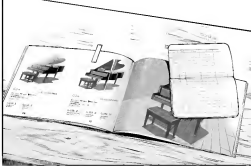

But then
that means
that's what
she's working
for?

gonna live
most of
her savings
came from
your mom's
gifts.

There's
not nearly
enough.

왜냐고요?
 * * * * *

Why does
 she have to
 only think
 about me?

How Yabara Aika (her name)

When I met up
 with her
 thinking she
 was a child?

Just going
 along.

Was it her
 who made me
 think?

Not
 really.

I thought he
 was someone,
 someone that
 didn't ever
 hurt me.

And
 no, I did
 not say
 anything.

But that's
no reason
to overwork
yourself
all day!

Sure,
I can't really
buy a plane
with my
pocket
money.

But,
how do
you know
...?

As soon
as I get into
high school,
I'll gonna
work, too.

So that you
don't have to
get yourself
through all
that.

No.

I wanna help you
as much as you've
helped me.

So let's
make up,
okay?

I can only
support you
financially
for now...

And since
you're gonna
be a great
pianist...

You've
gotta need
a piano
worthy of
your talent!

And then
my sweet
little Hana
will surpass
the best
virtuosos!

OKAY, OUT
THAT OUT,
THIS IS
GETTING
SERIOUS!

And...
Again, con-
gratulations
on your
1st place.

Okay...
Thank you,
Hana.
